I am participating in the **GIANT STEPS for African Girls** walk/run event to support the building of a girls' boarding school in Tanzania, East Africa. The event is sponsored by St. Joseph Proto Cathedral in Bardstown, and Bardstown native and former UK student Flaget Nally, who served for 3 years in Tanzania. Please support me by sponsoring each kilometer for a suggested minimum donation of \$5.00 per kilometer. **Please make tax-deductible checks payable to: St. Joseph / Giant Steps.** On behalf of the future female youth of this school, I thank you for your support! If you would like more info about this project please include contact information below or visit educateafricangirls.org.
